Readers' Favorite announces the review of the Fiction - Mystery - General book "Aleph Bet Conspiracy" by Norman Shabel, currently available at <http://www.amazon.com/gp/product/B0BYRNBPHH>.

Readers' Favorite is one of the largest book review and award contest sites on the Internet. They have earned the respect of renowned publishers like Random House, Simon & Schuster, and Harper Collins, and have received the "Best Websites for Authors" and "Honoring Excellence" awards from the Association of Independent Authors. They are also fully accredited by the BBB (A+ rating), which is a rarity among Book Review and Book Award Contest companies.

"Reviewed By Richard Prause for Readers' Favorite

Aleph Bet Conspiracy by Norman Shabel tells the exhilarating tale of Ben Zvi Kantorwicz, who fled the Auschwitz concentration camp in the 1940s and founded a

group called the Aleph Bet. This vigilante group is committed to finding and penalizing any remaining Nazi personnel. One of their targets, Helmut Mussman, is a cunning mastermind who was able to avoid being captured. He craftily shifted his attention to the USA. Mussman inducted a covert Nazi network called Thor in Colorado and gradually infiltrated the American political system. This unhinged psychopath seeks to overthrow the American government and unleash the Lebensborn program in America. Mussman's agenda is to breed a perfect German-Aryan race of people on American soil. Meanwhile, Ben Zvi is on trial for the murder of an antisemite who brutally killed an innocent, elderly Jewish man. Can Ben Zvi's Aleph Bet stop Thor before all hope is lost?

Aleph Bet Conspiracy is the perfect thriller to sink your teeth into this year. It offers the flawless intermingling of history, drama, action, crime, and suspense into one compelling and unforgettable story. Readers will be completely captivated by the plot. It is truly an epic battle between good and evil. Norman Shabel's novel demonstrates the dangers of entertaining harmful social ideologies and how the abuse of power can be perpetuated even by high-ranking government officials sworn to protect the integrity and stability of a nation. I admire how the author portrays themes like victimization, prejudice, inequality, social justice, vengeance, and vigilantism. In a nutshell, Aleph Bet Conspiracy is a wonderful combination of unforeseen twists and turns, hidden motives, and secret conspiracies. It is a must-read for fans of historical suspense thrillers."
